Thank you for your interest in joining the National ALS Registry. This document will take you through the registration process and show you how to access National ALS Registry Surveys. Surveys are only available to registered ALS Patients.

**How to get to the National ALS Registry**
Open your web browser and go to [http://www.cdc.gov/als](http://www.cdc.gov/als).

**How to Join the National ALS Registry**

**Step One:** Click the "Join ALS Registry/Create Account" link located on the center of the Nationals ALS Registry homepage.

**Step Two:** Click the “Join ALS Registry/Create Account” button located at the bottom of the ALS Patient Account Box.

**Step Three:** Read the Account Notification Consent Form. If you agree, click the "I Agree" button located at the bottom of the Account Notification box.

**Step Four:** Answer ALS patient validation questions. Click the "Next" button to proceed to the next question. Answering these questions verifies your eligibility to participate in the registry.

**Step Five:** Read the National ALS Registry Consent Form. Clicking on the "I Agree" button means that you consent to participating in the registry. Note: You can withdraw from the registry at any time.

**Step Six:** Fill in all of the required fields located on the ALS Patient Account Page. All required field are marked with a red asterisk (*). Remember your user name and password. You will need these to log into the registry to retrieve or update information. Click the "Submit" button located at the bottom of the ALS Patient Account box. When you have successfully joined the registry, you will see a green box that says “Registration Completed ….”

**Step Seven:** Click the "Return to Login" link located at the bottom of the “Registration Completed” box. This will take you to the registry login page.
